

NOLAMP 16

The 16th Nordic Laser Materials Processing Conference

22-24 August 2017, Aalborg, Denmark

Invitation to exhibition

At the NOLAMP 16 conference at Aalborg University, Denmark, we will arrange an exhibition where companies and organisations can present products and themselves. The exhibition is in direct connection to the conference venue located at Rendsburggade 14, Aalborg.

Exhibition and canteen area directly in the central area of the conference, outside the conference rooms. The conference venue is located next to the harbour front.

Each exhibitor will have about 4 m² and a table, electrical connection can be provided. The exhibition is open during the conference. Each exhibitor has the possibility to have their logo with a link at the conference homepage: www.nolamp16.aau.dk

Exhibitors have the opportunity to make an industrial paper (4-6 pages), which will be put online during the conference, and give a presentation. Information can be found at the conference homepage.

Use the opportunity to expose your products and company and to network with top researchers.

Register as exhibitor at the homepage www.nolamp16.aau.dk and send logo and company link to Morten Kristiansen, morten@m-tech.aau.dk (+45 9940 8938). Questions can also be addressed to Morten.

Exhibitors and sponsors logo will be displayed at the conference homepage as soon as the registration is completed. Registration is open and deadline for registration is June 16 2017.

The price is EUR 950 which includes exhibition area, company logo at homepage, online industrial paper, presentation of paper, access to conference and registration with social arrangement for one person.
